## About:

Having a long-held fascination for different forms of expression, I have always been motivated to experience the world through different perspectives.

My work mainly focuses on the representation of ideas through digital and print-media, photography, performance video and fashion. However I am also keen to work physically with different materials.

## Skills & Experience:

**Adobe:** Illustrator, Photoshop, Indesign, Muse, Premiere pro

**Microsoft:** Word, Excel, Powerpoint

**Print:** Digital/Offset, Riso, Screenprinting

**Fashion:** Illustration (Technical drawing / production sheets), Sewing

**Art:** Production (Technical drawing / production sheets for neon work and installations, Art handling, Art shipping)

**Writing:** Interview, Creative writing and Press release

**Photography:** Digital and Analogue, Studio Lighting

**Social Media Management:** Instagram, Facebook

**Material Processes:** Experience with Wood, Metal and Ceramics
